

AAAS Fellows

AAAS Fellows are elected annually by the AAAS Council for meritorious efforts to advance science or its applications. Fellows have made significant contributions in areas such as research, teaching, technology, services to professional societies, and the communication of science to the public. The following members, presented by Section affiliation, were elected Fellows in fall 2009. AAAS congratulates them and thanks them for their service to science and technology.

Agriculture, Food, and Renewable Resources

Caitilyn Allen
Steven R. Archer
David D. Baltensperger
Wilbert H. Blackburn
Michael D. Casler
Joseph Chappell
